## RESOLUTION

**WHEREAS**, the City Council of the City of El Paso finds that it would be in the best interest of the public to authorize offset angle parking along the west right-of-way lines of Stevens Street, from Hueco Avenue to the alley south thereof; and

**WHEREAS**, the City Council of the City of El Paso further finds, in accordance with Section 12.44.050 of the El Paso Municipal Code, that said right-of-way is not upon a Federal-aid or State Highway; that passing traffic will not be required to drive upon the left side of the street or upon any streetcar tracks; that said parking will not be within the Central Traffic District nor the Five Points Traffic District; that said street does not carry more than 4,000 vehicles average per day, nor more than 500 vehicles per hour for any consecutive three day hours of an average; and that adequate provision has been made for the free and unobstructed passage of pedestrian traffic thereof;

**NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF EL PASO:**

**THAT** the City Engineer is hereby authorized and directed to designate five (5) offset angle parking spaces along the west right-of-way lines of Stevens Street, from Hueco Avenue to the alley south thereof. Said right-of-way shall be used for public parking and cannot be used to satisfy the off-street parking required by El Paso Municipal Code for the adjacent property.
